## FROM the PRESIDENT

October started with a great Social night at Outback in Oak Ridge. Folks just kept coming in – old members, new members, and even prospective members – and the final count was 27. Our Autocross planned for October 11 had to be cancelled at the last minute when Pellissippi State notified us the site was not available due to construction work they were doing. The Harper Cars & Coffee on October 19 was a big event and Smoky Mountain Region PCA was well represented.

Our Planning meeting on October 18 was well attended, with many new faces. Thanks to all who came and the many of you that sent your input for the meeting via emails. We want to say thanks to Harper for providing the space and refreshments for the meeting. The discussion was good and a lot of great ideas were shared. I am looking forward to a fun and exciting 2015 for our club. The calendar will be coming out soon.

Our Fall Fest was held November 8-9. You can read

all about it in this issue of Smoke Signals.

Elections for next year's Executive Council are this month. A ballot is included with this newsletter (see page 7), so be sure to vote. Thanks to Bob Hutchins and Sue Groves for serving as the Nominating Committee and to all who have agreed to serve. There are still some appointed positions open for next year. If you are interested, please contact me.

Save the date! Our Holiday Party this year will be December 2 at Season's Innovative Bar and Grille in Turkey Creek. You will be receiving a mailing with all the details.

Happy motoring and see you soon.

*Rich Neubauer*

President

## HEARD 'ROUND the REGION

• *Cathy Hutchins heard recently from Janet Baird. She and JB will be completing their move to Texas, over Thanksgiving, so they can be closer to family to assist in JB's care. We wish them well!*

• *Bob and Jyme Heimans' son was moved recently from the care center at UT Hospital, to their home. His recovery from his car accident is going to take some time, and their care in his daily activities is required.*

• *What a great Fall Fest event this year!!! Thank you to all participants, and thank you to all of the volunteers who gave up their free time to put the event on.*

• *Are you coming to the Holiday Party?*

*Vic Rola*

Vice President

## FROM the DRIVER'S SEAT

Another year is coming quickly to an end and I realize I did not participate in near as many PCA events as I would have wished.

Sunday autocrosses and Wednesday night socials were trumped by church. Socials held on other days were either too far away or in conflict with something else I had to do. Drives always seemed to be scheduled while I was out of town or my 914 was on jack stands (its current state as I write).

I did, however, make it to the 2015 Planning Meeting and was encouraged by the outcome. Autocrosses scheduled on Saturdays will allow me (and perhaps

others) to attend. I am especially looking forward to the Autocross School scheduled early in 2015.

A fellow 914 owner and I have been discussing a purpose-built autocrosser. Between the two of us, we have a couple 914s without titles, plenty of spare parts, and an engine or three (all of which need rebuilt).

We realize the end result will most likely put us in a class where we will be woefully noncompetitive but we don't care :) Our goal with this project is to have fun!

# FALL FEST: Drive & Dinner

Report by Vic Rola

This year's final Regional event, Fall Fest, started off on a warming Saturday afternoon at Smokies Stadium, Kodak, TN. Early arrivals got there about 1:00PM!

Tour directors Bob Hutchins and Clyde Peery got everyone signed off on the PCA required Release Form. From 1:00 until 2:00, a lot of socializing took place.

Included in the 20 Porsches that showed up were five from Magnolia PCA Region in Mississippi whose owners decided to include our event in their tour of the Smokies.

The tour began at 2:00 sharp as Bob Hutchins led

the way through some neat east TN locales like Luttrell and Russellville. A quick run over Jacobs Mountain was enjoyed by all! A short 'pit stop' at Hardees gave all a chance to stretch their legs before continuing on to Jefferson City, TN.

Once in Jefferson City, 37 PCA'ers enjoyed a Mexican feast at El Paraiso. The food was great, and the camaraderie was even better.

The locals immediately spotted the 20 Porsches in the parking lot, and a lot of

picture taking took place!

Once dinner was over, all headed home. A few of the die-hards knew they had to get ready for Sunday's autocross.

**20 Cars on the Drive Out**  
**37 Folks at the Dinner**  
**27 Cars AutoX'd**

**Great weather both days... esp. Sunday!**

## FALL FEST: Autocross

Report by Vic Rola

Earlier in the year, Rick Berry took a video (Go-Pro) of the course that was designed quite different from previous autocross course designs utilized at Splash Country, Pigeon Forge. He planned to use the same course once again and used his video of the previous course to lay out the exact same pattern.

As he and I arrived at about 7:00am with iPad in hand, we had the course laid out (and chalked) by

8:00am... unheard of! Thank you, Rick Brooksbank, Clyde Peery, and Ron Disney for your assistance.

- **The autocross event FTD overall was a super fast Shelby Mustang**
- **Thank you Rick + Janis Berry of Eurotech for sponsoring the 2014 autocross series**
- **Thank you Debbie Cooper for our trophy design**

After the safety meeting, the first car was off at 10:00am. We had a good mix of cars as the SCCA was invited to participate with us.

Six runs were offered to the drivers, and when all was said and

done, Bonnie Foulds, driving her RSR inspired 911, took FTD Womens, while Matt Garrett, driving his high horsepower turbo, took FTD Mens.
