**Smoky Mountain Region Porsche Club of America**

**November 2009**

## **2010 Elections**

The results of the 2010 Smoky Mountain Region Elections are in. The proposed slate has been approved. Your 2010 officers will be:

President: Jeff Russell  
Vice President: Mike Parker  
Treasurer: Jonathan Foulds  
Secretary: Nick Imperato  
Board Members: Greg DeBord  
Vic Rola  
Janet Lanz-Pasha  
Past President: Jim Marsh

## **Appointed Positions:**

Autocross: Jonathan Foulds  
Rick Brooksbank  
  
Webmaster: Greg DeBord  
Membership: Open  
Safety/Technical: Open  
Goodie Store: Tim Carpenter  
Jim Marsh  
Spring Thing: Jim Marsh  
Greg DeBord  
Jonathan Foulds  
Clyde Peery  
Newsletter: Tommy Wilson  
Awards: Vic Rola  
Social Events: Mary Nell Biehler  
Cathy Hutchins  
Pano Correspondent: Open  
Historian: Warren Sylvester  
Publicity: Open  
Financial Manager: Open

## **Some Notes on the open Positions:**

**Membership:** A very important position so that we can track and contact members, both those that renew and do not renew their membership. This position takes very little time.

**Pano Correspondent:** An important position that requires one to communicate with Panorama to let them know of upcoming events and about future events. More than anything it just means you keep track of the club events and report in a timely fashion to Panorama. I just did not have the time to do this job very well this year.

## **Open Positions-Cont'd**

**Publicity Chair:** There are many avenues of free publicity we could pursue to bring more attention to the club. There are community bulletin boards on many of the local TV stations, newspapers, at local car shops etc. I have just not had time to do this as well. I think it would be a great advantage to us if we had a publicity chair.

**Financial Chair:** Even though we are a car club, we should treat ourselves as more of a business, I believe. I would like to see some one or several people with a financial background step up so we could, preferably before the beginning of each year and develop a financial plan for the club's upcoming year. The idea of looking at the checkbook and seeing if we have the money is not really a very good way to conduct business. Remember that if you have a plan, you tend to have more success.

## **Membership/Executive Council Meeting:**

October 12, 2009. We had a very productive meeting this month. I was very proud to display to those present the framed original charter for the Region. Greg DeBord gave this to me and I took it upon my self to spend some club money to have it professionally framed. It really looks nice. You will be able to see it at upcoming events on display. Thanks to the board for supporting my decision.

## A very Special Thanks

Jeff Russell would like me to convey a very special thanks to all Smoky Mountain Region members for their support and concern for his recent loss.

It is my hope that if Jeff needs anything else in the future that he advises us of those needs.

## From The President

Well, November and fall is here. We have two very big events coming up in November and December.

I am referring of course to

Fall Fest November 14 and The Christmas Luncheon on December 5. I urge all members to attend both events.

We need your help with Fall Fest. Mary Nell Biehler needs you to at least email or call her ASAP with your reservation for the dinner. She needs to let Calhoun's know how many people to expect few days in advance. You can send your money to her or pay the night of the event. One note. If you RSVP for the dinner, you will have to pay because the food will be prepared based on how many reservations we give to Calhoun's. Please support the event.

You can also get the reduced price deal for the autocross & dinner with Mary Nell. She will notify Jonathan that you are participating in the autocross. The autocross will be run as in the past. Check in/registration will be from 8-10 AM with the first car off at 11 AM. We will conclude the event in plenty of time for you to get to the 6 PM dinner.

Some bad news for the Knoxville Porsche community. It has come to our attention that Air Cooled Classics has closed down their operation. I'm not sure why or what happened but it is never good when consumers have fewer choices, no matter what type of business we are talking about. Don Ramsey had been in business for many years and provided excellent service to many Porsche owners, myself included.

## Membership Report

It's fall and nearing Turkey Time! Don't forget our two upcoming events the autocross/fall fest dinner— please come out and join us. This is a Porsche only event- Bring your family out for the day and then join us for dinner at Calhoun's. If you don't autocross like myself-we can still use you to help. Or just join us for the dinner \$22 per person for the Porsche talk and seeing friends. Also, the Christmas Party, December 5th. We will be helping the food bank by bringing canned /boxed food to help out our community. Your new slate of officers will be there so you can join in welcoming them and introducing yourself to them if you haven't met them yet.

Membership for October is 170 Primary members, 128 affiliate members for a total of 298 members. We had no new members and no transfers in but one transfer out.

One of our newest members Heidi Orme came out to the Happy Hour at Lakeside Tavern, found our group and has jumped in. She came to the planning meeting and has agreed to help Vic Rola with a Poker Run in January. See it doesn't take much from a member to get involved and help a little. Thanks Heidi and Vic.

Have a safe and Happy Thanksgiving and I hope to see you at the upcoming events!

Vickie Marsh

## Smoky Mountain Goodie Store Returns

Tim Carpenter is making final plans to reopen the goodie store for the region. It will be an online goodie store with the club having a small investment in inventory for local sale. The group we will be associating with runs goodie stores for many PCA regions. They carry a good variety of quality items including Cutter & Bock shirts and other items. We will have the ability to place our club logo on these items. The club members will order the items online and the club will receive a 20 % profit for the items. The price will not be marked up an additional 20 % to cover this. This is how the PCA goodie stores works. If you see a label, for example, that costs you \$ 3 from PCA, the region can buy it for say \$ 2.80. This allows the region to cover it's costs and make a small profit. The goodie store will not be a large profit center for the region, but it will not be a loss. We will keep a small inventory on hand to show and sell, but most orders will be handled on line. We have a small quantity of the PCA mechanics gloves in stock. See the pictures below. You can call me to order. Price is \$ 15 plus shipping. We have 3 XL and 1 L of PCA gloves and 2 pair of the PCA Racing.

**For Sale:** Classic Porsche now available for purchase. Jim Marsh is announcing the availability of his 1978 Porsche 930. As most of you know, this is a "One of a Kind" Porsche because of it is a Color To Sample car. There is no other Porsche exactly like this car in the world. The car has won numerous Concours awards and has placed in both National Parades we attended. The weak economy is in your favor. Bruce Anderson of Excellence magazine last year said the car was worth about \$ 48,000. The prices are down now to around \$ 44,000. The price now is \$ 39,500. Contact me at 865-356-9107.

## Job Market

The Smoky Mountain Region currently has several important positions open. Short hours and top pay. Current positions available include:

**Awards Chairperson:** The region is in need of an individual to order and secure various awards for region events. Several sources are already known, it is just a matter of a person taking responsibility for securing the awards. This person would work with sponsors on the awards to be given for various events.

**Publicity Chairperson:** This individual would be responsible for securing publicity for various club events, such as Spring Thing, drive outs, and other functions. Top pay for the right person.

**Contact Jim Marsh For Details on these Opportunities!!!**

## Heard Around The Region

### HEARD 'ROUND THE REGION

We were devastated to hear of the passing of member Jeff Russells' daughter-in-law, just a few days after giving birth. Our deepest condolences go to the entire family.

Congratulations on the recent wedding of Suzan Bowmans' daughter, Rachel. We wish the bride and groom the very best. They will live close in to Knoxville (read...happy Mom).

Member Bob Manors' '73 911 Kremer, was voted Judges Choice, at the recently held 50<sup>th</sup> Anniversary celebration held by the First Settlers Region, in Irvington, VA.

Congrats go out to Jim Marsh for handling the Planning Meeting for 2010. The meeting put together some neat, and new, venues for you to attend next year. Calendar is coming out soon.

Saw return members Lynn Sheeleys' (new to him) Boxster in Grand Prix White. Very nice. Welcome back Lynn! Past prez, Debbie Cooper, had a nasty fall outside of her home recently, causing many bad bruises, especially on her face. Thankfully, no broken bones were sustained, and after a short recuperation under the steady hands of 'Nurse Bob', she's back at work.

### The 2009 Smoky Mountain European Auto Garage Autocross Challenge

Join us in 2009 for an exciting autocross challenge series. We will be crowning a Porsche champion and a European car champion. Non Porsche cars will utilize the SCCA PAX system to level the field. This will place the challenge on the driver, not just the car. Here is the schedule:

Date	Event	Location
April 5	Open Autocross	PSCC
April 26	Spring Thing Autocross	PSCC
May 31	PCA Autocross	PSCC
July 19	PCA Autocross	PSCC
August 8	PCA Autocross	PSCC
October 4	PCA Autocross	PSCC
November 14	PCA Fall Fest Autocross	PSCC

Cost will be \$ 25 per event, except for the Spring Thing Autocross, which is part of a multi event weekend.

SCCA PAX timing will be used for European autos and a new handicapping system will be used for Porsche cars.

We have upgraded the timing system which will allow us to have multiple cars on the track at a time and we have added an LED display which will show times as you pass the finish line. Times: PCA Autocross registration will open at 8 AM, close at 10 AM, first car off at 11 AM. AM. Register early with Jonathan Foulds at [jonathanfoulds@yahoo.com](mailto:jonathanfoulds@yahoo.com)

## PORSCHE SAYS IT IS WORKING ON ALTERNATIVE POWERED SPORTS CAR

New CEO unveils four new high-powered 911s and hints at future hybrid and electric vehicles

at Frankfurt Auto Show

ATLANTA, September 15, 2009 - Speaking publicly for the first time at the Frankfurt Auto Show, Porsche's new president and CEO, Michael Macht, revealed that Porsche is considering and working hard on an electric-powered sports car that would meet the high demands of the Porsche brand. "I am also convinced that one day Porsche will have an electric sports car in its line-up," said Macht at the company's press conference today. While he cautioned that so far the available battery technology is not "sufficient to meet Porsche's strict requirements," he said "our engineers are already working hard on this challenge." "An electric sports car would therefore only make sense for Porsche if it offers performance and a cruising range similar to that of current sports cars in the market," he said. "We are therefore taking the first step in this direction with a full hybrid - in the Cayenne, the Panamera and maybe in the not too distant future also in a racing car or a production 911. Why not?" Macht pointed out that Porsche has a long legacy with hybrid technology as it was exactly 109 years ago that Professor Ferdinand Porsche built the first fully functioning car with hybrid technology. Speaking about Porsche's newest model, Macht said the new Panamera Gran Turismo is already generating thousands of orders just three days after its market launch in Europe. The highly anticipated Panamera represents Porsche's fourth model line and is the brand's first-ever four-door sports car. It goes on sale in the U.S. on October 17, 2009. "Although the car has only been at the dealership for three days, we already have 4,500 orders for the Panamera, most of them from customers who have not even seen the car yet," he said Macht. "And since test drives for customers have only just started, sales of the Panamera are already making a very positive start." Another highlight of the press conference at Frankfurt was Porsche's presentation of its new 2010 911 Turbo, the flagship of the venerable 911 range. "The 911 Turbo is the spearhead in innovation throughout Porsche's complete range of sports cars. It has been successful in the market for 35 years, accounting throughout this period for almost 80,000 units sold worldwide," said Macht. Premiering alongside the venerable Turbo will be a series of asphalt-burning 911s, including the 911 GT3 RS, and its race ready sibling the 911 GT3 Cup car. Porsche also took the wraps off its limited-edition 911 Sport Classic at the Frankfurt show, marking a return to the tradition of occasionally issuing ultra-exclusive production cars. The Sport Classic will not be offered in the U.S. Production will be strictly limited to 250 units. About Porsche Cars North America, Inc.  
Porsche Cars North America, Inc. (PCNA), based in Atlanta, Ga., is the exclusive importer of Porsche sports cars and sport utility vehicles for the United States. It is a wholly owned, indirect subsidiary of Dr. Ing.h.c. F. Porsche AG. PCNA employs approximately 180 people who provide Porsche vehicles, parts, service, marketing and training for its 202 dealers. The dealers, in turn, provide Porsche owners with best-in-class service.
