From the President

We just returned from Rennfest 2012 and it was spectacular! We had a wonderful time seeing old friends and meeting new ones from other regions as well as spending time with members of our region. I would like to congratulate Vic Rola on winning 1st place overall this weekend and mention that several members did Smoky Mountain Region proud by bringing home some nice trophies in all events.

The detailing workshop that Mike Parker hosted last month was a huge success. There was a freshly detailed 911 in the shop and Mike was able to point out areas where concours judges like to peek. There was a lot of member interaction at the workshop and it was very informative. Thank you, Mike!

This month's tech session originally planned to be held at Knox Performance & Dyno has been cancelled.

Word has it that Clyde Peery is working on a scenic route for our September 29th driveout. I have been unable to attend his driveouts in the past, so I am especially looking forward to this one. He has a reputation for putting on some very nice drives and this should be no exception. I hope you will make plans to join us.

Have a great September!

Janis
President

Upcoming Region Events

Sept 11 - Monthly Social / Dinner

Join fellow PCAers at 7:00pm at the Turkey Creek Calhoun's for good food and conversation.

Sept 29 - Day Drive Out

Enjoy an autumn drive in the Smokies. Route still to be determined but, hey, if it's got twists and turns and you are in a Porsche, it's gonna be GREAT!

TECH SESSION: Detailing Your Car

Submitted by Janis Berry.

Mike Parker discussed various do's and don'ts in our club's detailing workshop on August 18, 2012, at Eurotech Knoxville. His comments included advising members on which products to use depending on the task at hand and his commentary was very helpful to the members in attendance. He also discussed concours preparation and showed us a few of the hidden areas where concours judges tend to look. A big thank you to Mike for taking time from his schedule to educate our members.

FALL FEST - November 10-11, 2012
Drive • Socialize • Autocross

HEARD 'ROUND the REGION

• Several members headed to Peachstate Regions' Rennfest this year. This annual event is a huge regional PCA draw, with 74 cars in attendance. From SMT/PCA, there were...Bob + Jyme Heimann, Bob + Sue Southerland, Allan + Rose Cox, Rick + Janis Berry, Clyde Peery, Carol and I. We managed to get all together Saturday evening for dinner. BTW...Trophies were brought home! They knew we were there!

• Thanks and 'tip of the hat' to Rick Berry (Eurotech), who pulled five spark plugs out of my engine just prior to the Rennfest autocross, before finding the one that had fouled. Those nasty old cars! Those great friends!

• Get ready for Fall Fest! Bob Hutchins has already done a preliminary drive-out layout, and he and I will put the finishing touches on it soon.

Have you sent in your ballot for next years' officers?

Vic Rola

FALL DAY DRIVE - September 29, 2012

It's time to welcome the Fall with a day drive. Kathryn and I have laid out a beautiful route to enjoy some of our scenic backroads in East Tennessee. We will gather 8:30am at Hardee's in Vonore, which is at the intersection of Hwy 411 and Hwy 360. This will give everyone an opportunity to socialize, sign the release form, receive detailed info about the drive, and get last minute fuel and coffee before departing at 9:00am.

Our drive will take us to Tellico Plains, Reliance, the Ocoee River and Olympic White Water Visitors' Center, Ducktown, and Coker Creek. We will eat lunch at about 12:00 at Nut-n-Fancy in Tellico Plains, and I will need a head count in order to call ahead for reservations at the restaurant. After lunch we will drive along the Tellico River and the Cherohala Skyway. If you have questions, call me at (865) 719-6124 or e-mailing me at cpeery@mac.com.

I will need the following:

- 1) Your name and the name of your passenger
- 2) Make, model, year, and color of your car
- 3) Your cell phone number
- 4) How many reservations for lunch

I will confirm with you when I get your information.

This will be a great drive, and Kathryn and I look forward to seeing you.

Clyde Peery

1988 Porsche 924S

This is a street-legal track car in nice enough shape to win two first place show awards in the last four months. It has race seats with race harnesses mounted to a harness bar. The 2.5L Porsche engine runs great and has no leaks or smoke. The suspension has been upgraded and has Koni adjustable shocks. The car sounds great going through a 3" exhaust and a Magnaflow muffler. There are 15" Porsche wheels with good BF Goodrich R-1 DOT race tires. Air conditioned and has a working sunroof. In fact, everything on the car works but the clock. There is no rust and a almost new red paint job. \$7,000 *Call Tommy @ 423-333-5899*
