Special Thank You's to:

Allan Cox and Mike Parker for helping me design and layout the rally.

Dick Kjellsen and Danny & Cathy Saxton for coming from Atlanta (Peachstate Region) a day early to run and check out the rally.

The Greeneville countryside was beautiful, the weather was fantastic, and with one short and slow exception, the roads were really fun. Everyone got back safely to the hotel with smiles on their faces. Thank you to all the 28 car participants and 16 volunteers who made the Rally as success. It was a great Spring Thing Rally weekend.
