

GIMMICK RALLY - SPRING THING 2022, THE "GIMMICK": BARN QUILTS

- A Barn Quilt is flat piece of art painted in a quilt-like pattern, generally hung on a barn.
- As you drive the route, you will see these Barn Quilts... and others not listed.
- Your mission is to place these in the proper order (left to right) as seen along the route.
- In "ORDER #____" write the position in sequence as you see each Barn Quilt.
- SCORING: Maximum score on this part of the Gimmick Rally is 10 points for all 10 quilts in sequence. Partial Sequences will be scored. For example, if you get five in proper order, you will score five points, etc.
- Keep your eyes peeled: all are readily visible from the road. Some are on barns, some not.
- After completing the rally route, return this and the completed trivia sheet and the route description to Matt Fischer at registration by 5PM.
